

How people will pay for the 'AI-enabled content' add-on

Add-on will be made available via PLG motion with freemium limits / access and a 'paywall'. User will opt-in to using the add-on, for that specific project, and the fee will be added to the invoice, (just like Redaction AI is ATM).

Add-on will then be available to all admins on the project.

NOTE: THIS WILL BE A FIXED AMOUNT AND NOT NEGOTIABLE OR DISCOUNTABLE BY SALES TEAM

Add-on will be made available via PLG motion with freemium limits / access and a 'paywall'. User will 'swipe credit card' to purchase the add-on for that specific project.

Add-on will then be available to all users in that specific buyer group on the project.
